

Renovation Cost Dataset Validation - India (2025)

This document provides visual evidence and source references to validate the synthetic dataset used for renovation cost estimation. Data ranges are based on credible Indian sources such as Housiey (2025), MagicBricks, Livspace, NoBroker, Tata Capital, Bajaj Finserv, and others.

- Key References:**
- Housiey (2025): Renovation cost ranges per sq.ft (■1,500 – ■4,000) and city breakdowns.
 - MagicBricks (2025): Painting labor costs ■10–25/sq.ft, metro vs tier-2 variations.

- Livspace (2025): Painting cost ■8–50/sq.ft across paint types.
- NoBroker (2025): House painting cost ■10–35/sq.ft.
- Tata Capital (2025): Electrical ■40–120/sq.ft, Plumbing ■60–150/sq.ft, Kitchen ■500–1,000/sq.ft, Bathroom ■300–600/sq.ft.
- Bajaj Finserv (2025): Kitchen remodel ■1.5–5 lakh; Bathroom remodel ■1–3 lakh.
- Architectural Digest (2023): Flooring, ceiling, and finishing ranges.
